换主语、宾语位置

③ 改

改主要动词为 be done
(be要变态; done为过去分词)

④ 加

加上 by

如何快速查单词意思——电脑版

后台运行有道词典 → 鼠标**左键双击**不认识的单词

In this lecture, Dr Lim will explore China-Singapore relations from two seemingly contradictory trajectories – deepening geo-economic integration and differing **geopolitical** orientations. Since 2013, China became Singapore's largest trading partner, and Singapore became the launch of China's 'Go Abroad' strategy in the east, growing exponentially. Dr Lim will therefore present the evolution shaped by broader geopolitical currents, with both challenges and opportunities while sidestepping, where possible, longstanding
